

CUMBRIA MUSICAL FEST

for Reception

Year One and/or Year Two!

February 23rd - March 2015 - Second Half-Term

What is it?

Five sessions of exciting and lively music, songs, percussion and dance in your school led by composer Alexander Clarke (BA(Hons) Music / PGCE(Primary) / QTS) over five weeks, including an **optional in-school performance** for parents during the final session.

Choose five weeks of focused music on:

Transport, Animals, Dinosaurs, Monsters, Rhythm, Travel, Pirates and the Sea, Christopher Columbus, Space, the Great Fire of London, Florence Nightingale, Mary Seacole, Minibeasts, Food, Phonics, Maths, People who help us, the World, Toys or Weather...

**Other topics also available on request.*

What schools have said so far about the **Phonics and Maths workshops**:

A great workshop that supports children with most areas of the curriculum...Children really enjoyed all of the songs and we have been able to use them in lesson time!.. Would definitely recommend!...Lovely for children to experience live music and see different instruments played to a high standard...Reinforced key concepts taught in Year One through music and song...Children learnt a range of curriculum subjects within the music session.....
